OUR STORY

In 1966 John's Pizzeria opened its doors to share our delicious food and friendly service with the Davison and surrounding communities.

For 3 generations the Persi family has been proud to not only be Davison residents, but to still be a staple amongst the area for so many years. Being family owned and operated, we take pride in our product, from our home-made pizza dough that achieves a thin crispy crust in our hearth deck ovens, to our home-made sauces, meatballs, freshly shredded cheese, shaved ham, and daily prepared lasagnas.

We hope you enjoy your visit with us, and would like to thank all of our customers, family, friends and employees for your continued support throughout the years!
